Gazette No. 32, dated 10th August 1954.

PART I.

PROCEEDINGS

(Chief Secretariat—Integration Section)

Sub: Integration of Services—Executive and Ministerial Staff of the Police Department.

Read: 1. G. P. No. H2-1912|49|CS., dated 17-3-1950, 9-6-1950 and 26-9-1950 regarding reorganisation of the Department.

2. G. P. S2-32693|52|CS., dated 25-5-1954 regarding integration of services.

Order No. S2-32693|52|CS., dated 5-8-1954.

Government are pleased to approve the enclosed civil and gradation lists of the executive officers of the General Executive, Traffic and Armed Reserve branches of the Police Department and the common gradation list of the Ministerial staff of the Department.

2. The lists represent the position of the officers and staff as on 1-4-1954.

Executive Staff:

3. The reorganisation of the Police Department was sanctioned in G. P., read as first paper above, with effect from 1-7-1950. The vacancies that occurred in the Travancore and Cochin branches were separately filled up permanently by promoting the personnel in the respective branches upto 1-7-1950 except in respect of the posts in the cadre of District Superintendent of Police in the order of seniority of the officers in either branch. Separate lists were thus prepared for the two branches. The personnel in either branch as on 1-7-1950 were brought to a common list in pursuance of the integration G. P. S. 2-32693|52|CS., dated 25-5-1954 without disturbing the relative seniority in either branch.

Recruitments to the General Executive, Traffic and Armed Reserve branches of the Police Department have been made separately. Promotions of persons recruited to each of these branches have also been confined to vacancies occurring in these branches alone. Accordingly separate gradation lists of the officers in each of these branches ought to have been maintained. But this was not done. The officers belonging to all the three branches have been grouped together and brought under a common gradation list, ranking them normally according to the dates of their recruitment or confirmation. But when vacancies in higher grades arose, only persons initially recruited to the branch in which the vacancies occurred have been preferred for promotion even though some of the officers belonging to the other branches were occupying higher ranks in the common seniority list. This has given rise to complaints. To avoid

such complaints from the officers, Government have decided that the three branches viz., the General Executive, Traffic and Armed Reserve will be treated as separate units of the Department and that recruitments and promotions in respect of the three branches will be confined to the respective branches in future. The officers belonging to these three branches will accordingly be brought under separate gradation lists.

The Inspector General of Police has given a list of officers to be separated from the common integrated list as on 1-7-1950 for inclusion in the Armed Reserve and Traffic branches. In doing so he has recommended that 2 posts of II Grade Sub Inspectors in the Armed Reserve may be allowed to be filled up temporarily, from time to time, by the officers of the other branches of the Department so that the officers so posted may have a temporary course of duty in the Armed Reserve in order to smarten them up. Government are pleased to sanction the above recommendation of the Inspector General of Police.

All the officers proposed to be included permanently in the Armed Reserve or Traffic branch are officers who were initially recruited for the respective branches. An exception is made in the case of Sri P. Padmanabha Iyer. Sri Padmanabha Iyer though borne in the general line is assigned to the Armed Reserve because of his special aptitude for the Armed Reserve. The officers thus proposed for the various branches have been fitted into the respective branches against the sanctioned strength in the order of seniority. After grouping the officers as above the position as on 1-4-1954 was worked out. The civil and gradation lists of the three branches have been prepared on the above basis.

Indian Police Service

4. Consequent on the introduction of the Indian Police Service (Extension to States) Scheme the following posts in the Police Department have been declared as belonging to that cadre:—

Senior Duty Posts

Inspector General of Police	1	
Deputy Inspector General of Police	1	
District Superintendents of Police	5	(including Dist. Superintendent of Armed Reserve)
	7	
Junior Duty Posts	4	
Total	11	

The officers nominated against the Senior Duty Posts in the I. P. S. Cadre are shown as officiating in the civil list as on 1-4-1954.

Assistant Superintendents of Police:

5. The sanctioned strength of permanent Assistant Superintendents of Police is 14; 9 for the General Executive, 4 for the Armed Reserve and 1 for the Traffic. It is stated by the Inspector General of Police that there are 11 permanent Assistant Superintendents of Police in the general line against the sanctioned strength of 9 and that 2 posts in the Armed Reserve are remaining vacant. He has therefore recommended that 2 permanent posts from the Armed Reserve may be shifted to the General Executive and 2 temporary posts from the general line transferred to the Armed Reserve instead with effect from 1-4-1954. This is sanctioned and the civil lists of Assistant Superintendents of Police under the three branches have been prepared accordingly.

Sri H. E. Lopez: He was acting as Assistant Superintendent of Police, Traffic branch continuously from 2-5-1123. It was ordered in Government Proceedings No. D. Dis. 1955|52|CS. dated 23-12-1952 that he would hold his rank as Assistant Superintendent of Police from 19-10-1122 as if he had been promoted to that post from that date. Sri K. Srinivasa Rao, officiating as Assistant Superintendent of Police from 4-6-1122 and Sri W. M. De' Cruz officiating as Assistant Superintendent of Police from 10-3-1123 were both confirmed as Assistant Superintendents of Police from 16-4-1124. As a permanent vacancy in the cadre of Assistant Superintendent of Police in the Traffic branch was available at the time of confirmation of these two officers Sri Lopez is also confirmed as Assistant Superintendent of Police from 16-4-1124 and shown as permanent Assistant Superintendent of Police in the Traffic branch and ranked above Sri W. M. De' Cruz.

Sri N. Thankaswami Nadar: There was a permanent vacancy in the cadre of Assistant Superintendents of Police (Travancore) consequent on the confirmation of Sri. K. Karunakara Kartha as Superintendent, Central Prison from 30-1-50. Sri. N. Thankaswami Nadar who was continuously officiating as Assistant Superintendent of Police from 30-11-1123 and who was the seniormost officiating Assistant Superintendent of Police among the officiating hands is confirmed from 30-1-50 in the above vacancy. As all the 14 permanent posts of Assistant Superintendents of Police have been assigned to the senior permanent incumbents in either branch Sri. Nadar is treated as a supernumerary from 1-7-50 but to continue against one of the 3 temporary posts sanctioned in the reorganisation. He is permanently absorbed in the cadre from 11-7-1950 in the vacancy consequent on the confirmation of Sri. Syed Usman as Director of Transport.

Sri K. O. Joseph: In Government Order D. Dis. 3409|48| Judl., dated 19-10-1948 Sri K. O. Joseph was assigned rank as Inspector between Sri K. Narayanan and Sri V. K. Vasudevan. This has been followed in ranking Sri K. O. Joseph as officiating

Assistant Superintendent of Police although he was officiating in the cadre earlier than Sri Narayanan.

Circle Inspectors:

6. **Sri G. Gopalan:** It was ordered in Government proceedings D.Dis.12941|50|CS., dated 12-4-1954 that Sri G. Gopalan, Sri Sankaran Nair and Sri B. M. Varghese should be given places in the Traffic branch placing Sri Sankaran Nair above Sri G. Gopalan and Sri Varghese. Sri Gopalan has accordingly been shown as Traffic and Taxation Assistant in the civil list of the Traffic branch, the rank assigned to him being below Sri Sankaran Nair and above B. M. Varghese. He is temporarily holding the post of the Vice Principal, Police Training School (Armed Reserve branch) on Rs. 225-275 from 23-5-1953. He will continue to hold the post till a substitute is posted as Vice Principal, Police Training School.

Government issued orders for the confirmation of the following officers as Circle Inspectors:—

(1) Sri V. Ponniah.
(2) ,, M. N. Bhaskara Panicker.
(3) ,, V. Narayana Pillai.
(4) ,, T. Syed Abdul Kadir.

The confirmations were ordered at random as and when recommended by the Inspector General of Police without considering the claims of the seniors with several years of acting service. The confirmations ordered were neither in the order of their acting service nor in the order of the occurrence of permanent vacancies. It is also seen that the claims of the senior officers for confirmation were not specifically overlooked as being ineligible for confirmation. In the circumstances, Government have decided that the confirmation ordered in respect of the above officers cannot be accepted as the basis for assigning their ranks in the cadre of Circle Inspectors and that the safest course would be to rank them in the order of seniority in the lower grade. Their confirmation as Circle Inspectors have been made on the above basis and their ranks assigned in the cadre of Circle Inspectors according to their rank in the lower grade.

Sri P. L. Cletus: He was passed over for promotion and was only a permanent I Grade Sub Inspector on Rs. 125-150 taking the 42nd rank on 1-7-1950. His original rank was partly restored by promoting him as Acting Circle Inspector on Rs. 175-225 from 11-6-1951. His rank among officiating Circle Inspectors on 1-4-1954 is fixed with reference to the date of his promotion. His rank in the permanent grade has also been refixed on the above basis.

Sri V. Ramakrishna Iyer: He was a supernumerary I Grade Sub Inspector on 1-7-1950. He was also passed over for promotion. He was subsequently promoted as Acting Circle Inspector from 25-11-1953, without prejudice to the claims of his seniors. Among acting Circle Inspectors his rank has been

fixed on the basis of the date of his promotion to the cadre with the above observation.

Sub Inspectors I Grade:

7. In the integration G. P. it is ordered that the two prosecuting Inspectors of the Cochin branch on Rs. 150-200 will be absorbed as I Grade Sub Inspectors on Rs. 125-150. These Inspectors have been assigned the first two places among I Grade Sub Inspectors. According to the practice in Cochin they are not eligible for promotion to higher grades in the executive line in the Police Department. They have since been promoted as Magistrates. Their case for promotion as Circle Inspectors has not therefore been considered.

Prosecuting Inspectors:

Sri R. Chellappan Nair, Sri K. Ganapathi Iyer and Sri L. K. Chandrasekharan were recruited as Prosecuting Inspectors by the Public Service Commission in the grade of II Grade Police Inspectors on Rs. 100-150 in Thulam 1120. Sri Aliar Kunju was also similarly recruited in Vrischigom 1121. But they were not given the benefit of their initial recruitment in the II Grade for further promotions. In Government Order ROC. 2877|48|Home., dated 25-3-1949 it was ordered that they will be treated as having been recruited in the III Grade for purposes of promotion and confirmation. They were confirmed accordingly. They have contended that they should get confirmation in the II Grade in vacancies available after they completed the period of probation and their future promotions regulated on that basis. Government have again examined the question. The rank already given to the above Prosecuting Inspectors on the basis of their confirmation ordered in G. O. ROC. 2877|48|Home dated 25-3-1949 will stand. These Inspectors' ranking has accordingly been maintained in the integrated list as on 1-4-1954. They are entitled to further promotions only on the basis of this ranking.

Prosecuting Inspectors are recruited for a special job, *viz.*, conducting prosecution. The Inspector General of Police is of the view that even though they may be good for the job of conducting prosecution they may not make good executive officers. Government agree with this contention. In Cochin the Prosecuting Inspectors recruited direct were usually promoted as Magistrates. It is a matter for consideration whether this practice may not be followed in the case of Prosecuting Inspectors in future. This question will also be considered along with the question of the separation of the Executive from the Judiciary.

Sri P. K. Achuthan, Sri P. Kannan Asari and Sri P. Kesava Menon were passed over for promotion as Circle Inspectors. These officers are therefore shown as junior to all those in the I Grade who were promoted as Circle Inspectors before them in the gradation list as on 1-4-1954.

II Grade Sub Inspectors:

8. In filling up the permanent vacancies in this grade with Probationary Inspectors and acting hands the proportion of 3 : 1 between direct recruits and promotion from lower ranks (acting hands) has been exceeded in favour of the acting hands. This has been done so that the acting hands who have been continuously officiating for a fairly long period of 8 to 10 years might get confirmation. Government accord special sanction for the ratio being exceeded for confirmation of the acting Inspectors in the special circumstances arising out of integration.

Sri M. A. Rasheed and Sri D. Ambiah: In Government Proceedings D. Dis. 12943|50|CS., dated 27|28-3-1951 it was ordered that Messrs. M. A. Rasheed, D. Ambiah and D. Caleb acting Sub Inspectors will be confirmed as Sub Inspectors of Police in the last grade and that the rank of Sri Rasheed and Sri Ambiah be raised by 5 places each. They have accordingly been given confirmation as II Grade Sub Inspectors and the rank of Sri Rasheed and Ambiah fixed above Sri C. P. Simon in the list as on 1-4-1954.

Ministerial Staff:

9. The integration of the personnel of the Ministerial services of the Department was effected as on 1-7-1949 on the basis of the reorganised set up as directed in the integration G. P.

A gradation list of the Ministerial staff of the Travancore branch of the Police Department as on 1-6-1124 has been approved by Government in G. P. R. Dis. 7183|51|CS., dated 9-2-1953. The ranking in this list has been followed in respect of the Travancore personnel for the preparation of the integrated list as on 1-7-1949. The civil and gradation lists as on 1-4-1954 were worked out from the integrated list. The promotions, both permanent and officiating to the scales of Rs. 45-75 and above have been made in the order of seniority in the lower grades in accordance with the rules regarding the passing of Account Test and the proportion of 3 : 1 between graduates and non-graduates.

Clerks on Rs. 45-75 and Rs. 30-45:

The undermentioned clerks of the Palace Guards were declared supernumeraries of the Police Department in Government Proceedings D. Dis. 627|52|CS. dated 24-4-1953:—

(1) P. Krishna Pillai (2) P. Appan Thirupad (3) P. Vikrama Menon	Supernumeraries on Rs. 45-75.
(4) K. Sukumaran Nair (5) P. Sankaran Nair	do. Rs. 30-45.

They have accordingly been permanently absorbed in the respective grades and shown in the list as on 1-4-1954.

Sri M. Krishnan Nair: was declared as a supernumerary clerk on Rs. 45-75 of the Palace Guards section of the Police Department in G. P. D. Dis. 330/53/CS., dated 23-4-1953. Since he has been specifically stated to be a supernumerary in the Palace Guards section, he has been shown as an acting clerk on Rs. 45-75 in the Police Department pending his absorption in the Palace Guards.

J. Russeliah: He was a discharged clerk in the office of the Inspector General of Police reinstated as a special case as clerk in the last grade viz., Rs. 30-45 as per G. P. D. Dis. 21565/52/CS., dated May, 1952. He is assigned rank among acting clerks on Rs. 30-45 on the basis of his date of joining duty in the Department.

Typists:

Sry. E. J. Sarasamma: In Government Proceedings D. Dis. 15640/53/CS., dated 30-9-1953 Government accorded sanction to Sri J. Gamaliel, Acting Typist in the Education Department and Sry. E. J. Sarasamma, Acting Typist in the Inspector General of Police Office being mutually transferred on an officiating basis. Sry. Sarasamma gets confirmation as typist in the Inspector General of Police Office on 1-7-1950 in the scale of Rs. 30-45. By virtue of her confirmation she is shown as a permanent typist on other duty in the Education Department in the list as on 1-4-1954.

Sri T. K. Kuruvila: He is on long leave from 29-2-1124. Since it is now more than 5 years he is treated as one out of Government service by the Inspector General of Police under Article 138—T. S. R. As he has not been permanently removed from Government service his name has to be included in the list of Typists and shown as on long leave from 29-2-1124. He is shown accordingly in the list as on 1-4-1954.

10. A list of officers in the executive line who have retired from service in between 1-7-1950 and 1-4-1954 and who are eligible for confirmation in higher grades is also appended to the civil and gradation lists.

11. Two hundred and fifty copies of the printed civil and gradation lists are forwarded to the Inspector General of Police. He will arrange for the lists being published among the officers and staff of the Department, inviting appeals, if any, to be presented by aggrieved persons within one month of such publication. Every such appeal should be forwarded to Government with the specific recommendations of the Inspector General of Police in each case. Government wish to make it clear that petitions questioning any of the principles adopted in preparing the various lists will not be entertained.

12. Arrears of pay and allowances, if any, that may accrue as a result of these orders will not be paid for periods prior to 1-4-1954. Consistent with this principle, excess, if any duly drawn will not also be recovered.
